## IAM Financial Salutes Congressional Leaders In Efforts to Protect 401(k) Participants:

### *Conflicted Investment Advice Prohibits Act of 2009 (H.R. 1988) Requires advisors to be fiduciary and Fee-Only*

OKEMOS, MICHIGAN (June 22nd, 2009) – IAM FINANCIAL, LLC salutes Representative Robert E. Andrews (D – NJ) and supporters of the Conflicted Investment Advice Prohibition Act of 2009 for stepping up efforts to protect consumers from unethical financial practices. A company-sponsored 401(k) plan may be the only retirement savings for millions of hard working Americans and as such, is critical to reaching long-term goals. Ensuring those who are working with individual participants are independent of the products being sold is a major step forward in helping Americans rebuild for the future.

"Unbiased advice about their retirement is imperative for consumers trying to reach their retirement goal using their company 401(k) plan. The best way to do that is working with independent fee-only financial advisors" said Richard T. Feight, CFP®, IAM FINANCIAL, LLC in Okemos Michigan.

IAM FINANCIAL, LLC appreciates the efforts of Representative Andrews and look forward to having this bill passed and signed into law.

Richard Feight is available to speak with members of the media who would like to discuss IAM FINANCIAL, LLC's support of H.R. 1988. Mr. Feight can be reached directly at rich@iam-financial.com.
