IAM Financial Receives Green Star Award for Recycling Efforts

Okemos, Michigan, January 20th, 2009, On behalf of the Meridian Commercial Recycling Group (MCRG) and the Meridian Township, IAM Financial was given the Green Star Award in recognition of their recycling efforts.

The “Green Star” recognition program is designed to encourage local businesses to begin or continue to recycle. In efforts to publicize the positive benefits of recycling, the “Green Star” program recognizes local businesses that are doing their part to help the environment.

The Meridian Commercial Recycling Group (MCRG) is a volunteer partnership of residents, businesses, and township representatives who collaborate to assist Meridian Township’s recycling efforts.

“We are just glad that we can do our part,” said IAM Financial founder Richard T. Feight, CFP. “If everyone kicked in a little, it would make a big difference for future generations to come.”

IAM Financial is a low cost, fee-only financial planning and investment management firm dedicated to helping clients organize their finances so that they can retire on time. IAM Financial also offers *Socially Responsible Investing (SRI)* by matching investors with investments matching their social, environmental, and ethical criteria using *Socially Responsible Funds*.
